**Weightage given to Learning values ?
(250 Students)**

- 16. Valuable suggestion given by students:**

Following suggestions were made by the students of college.

1. Information technology related facilities should be made available.
2. New books should be purchased for library and the number of issued books from library must be increased for students.
3. More number of teachers should be available there for teaching.
4. Number of skill development activities should be increased.
