Mangrulpir Dist.-Washim (Maharashtra)

22th and 23rd March, 2024

A Note on the contribution of the Conference:

The ICSSR-sponsored Two-Day Multi-disciplinary National Conference on “Recent Trends in Industry and Commerce.” This prestigious event, hosted by our college, aims to bring together a diverse group of scholars, researchers, and industry professionals to explore and discuss the latest developments and emerging trends in the fields of industry and commerce.

The conference is designed to provide a platform for intellectual exchange and collaborative dialogue, emphasizing the multi-disciplinary nature of contemporary research and practice in industry and commerce. As the global economic landscape continues to evolve rapidly, understanding these trends is crucial for both academic advancement and practical application in the professional world.

The ICSSR-sponsored two-day multi-disciplinary national conference on "Recent Trends in Industry and Commerce" was a resounding success. It not only facilitated the exchange of knowledge and ideas but also highlighted the critical issues and emerging trends in these dynamic fields. The participation of 155 research scholars, each contributed with their unique insights and research findings, underscored the importance of such academic gatherings in promoting scholarly dialogue and advancing knowledge.

This conference has set a high standard for future academic events, emphasizing the need for continuous research and discussion in understanding and shaping the future of industry and commerce. The college looks forward to hosting more such events, contributing to the academic and professional growth of scholars and practitioners alike.

Indian is 3rd largest economy in the world and rich size up to 4 Trillion \$ economy. India has a unique opportunity to showcase itself as a resilient and self-reliant nation, capable of addressing complex challenges and contributing towards global development. In the recent days many continuous changes occurred in the field of commerce and industries like chat GPT, AI and modern techniques in management of business. So it is necessary to raise the curtain on the modern development and streams in the industry and commerce.

It is therefore only appropriate to organize a Conference on the title '*Recent Trends in Industry and Commerce*' so that it serves as a platform for encouraging discussions on how Indian industry, corporate can harness new opportunities to become a Vishwaguru – a global leader in knowledge, technology, and diplomacy. Youth unemployment is also increasing in the country. So it is important to find what achieve and what to be achieving in coming 25 years to make India largest economy of the world and to solve the problem of increasing educated youth unemployment.

Through this Conference, we aim to foster a sense of various recent changes occurred in the field of commerce, Management and Economics reminding them of India's potential to build a brighter, more prosperous, and harmonious future and to suggest policy makers how to give universal and quality education, how to improve income of people and government through digital economy, energy and industrial development, to help society for social justice, empowerment, financial inclusion and sustainable development.

The important topics of the research papers which are presented in the seminar are New Education Policy 2020, Socio-economic Development, Micro Finance, Digital Economy, Agricultural Development and employment, Use of Artificial Intelligence in Customer Experience and E-Commerce, Indian Tax Structure, Globalization and Administrative Reforms, Cultural Tourism, Climate Changes, Agro Tourism in Rural development, Indian Banking Development, Global Challenges for Indian Economy, Entrepreneurship Development, New Marketing Strategies in Business, Agro-Based Industries Financial Literacy, Financial Inclusion and Khelo India. Social Media and Indian Politics, Natural Resources, Various Government Schemes, Gender and Social Inclusion.

These are the various important topics discussed in this Two Day Multi-disciplinary National Conference. This National Conference definitely will be helpful to policy makers and government experts as well as industry experts to take keen decision to improve socio-economic development and industry of India. This National Conference is a valuable platform for knowledge exchange, professional development, and fostering collaboration. It benefits individuals, institutions, and the broader academic and industry communities by promoting research, innovation, and the practical application of knowledge.
